

## **Vladivostok Air connects the Far East with Hong Kong and Singapore**

*12 September 11*

Vladivostok Air announces the introduction of their new service to Hong Kong and Singapore - from October 21st.

Flights will operate twice a week, on Tuesdays and Fridays.

Currently there is no regular air service between Vladivostok, Hong Kong and Singapore. Travellers being forced to fly to Seoul or Beijing and from there continue to their desired destination.

Round trip tickets Vladivostok - Hong Kong start from 464 euro, and the Vladivostok - Singapore - Vladivostok from 577 euro.

Initially XF763 will depart Vladivostok at 10.45, arriving in Hong Kong at 12.20, and Singapore at 18.20 (local time).

The returning XF764 departs Singapore at 20.10, and Hong Kong at midnight - arriving Vladivostok at 09.20 the next day.

From the 30th of October, with the winter timetable taking effect, the flight schedule will be amended slightly. Departure from Vladivostok will be 45 minutes later, but arrival in Singapore will remain as above owing to reduced stopover in Hong Kong.

Flights will operate with modern European aircraft Airbus A320.
